**Pawnbroker, Precious Metal Dealer, Scrap Processor, Second Hand Dealer**

As a new or renewal applicant, you are required to complete the application in **triplicate**. Each question and blank on the application must be filled out completely to ensure quick and timely processing. If any question or blank is not answered or filled, the application will be denied and your check will be returned to you. We will **NOT** accept incomplete applications.

Often, an applicant will leave blanks or put wrong information in the following areas:

- Middle name of the applicant (**the full middle name must be included - not just the initial**)
- On Section II, the "Residential Address" may be a P. O. Box.
- The spouse's personal information must be included regardless of whether the spouse has any involvement in the business. This information includes his/her full legal name, including the full middle name (not just the initial), and his/her date of birth;
- Lease information - the length of the lease **MUST BE FOR AT LEAST NINE (9) MONTHS**; and
- Additional information concerning any other persons holding **ANY** financial interest in the business.
- "Section II-Applicant Information" must match up with "Signature of Applicant" at the bottom of the application.

Each question on the application pertains to the applicant's ability to meet the guidelines set out by:  
Charter Ordinance No. 134 which governs Secondhand Dealers, Pawnbrokers and Precious Metal Dealers; or  
Chapter 3.90 which governs Scrap Processors.

By refusing or forgetting to answer a question it will be assumed that the applicant cannot meet these guidelines and will, therefore, be denied a license.

In conclusion, remember that if any information changes during the year for which your license has been issued, you must contact the License section and notify them of the change. The fees for the type of license that the applicant will be applying for are listed on the application. License fees are only refunded in the event that the initial application is denied. Licenses are non-transferable. Each location must be separately licensed.
